past twelve months and transact such business as the welfare of the association may demand. Each recurring occasion of this kind makes me feel more deeply impressed with the importance of the great work which we have undertaken; that of providing the means whereby those who have become worn out in the service shall receive an analysemal be relieved of the worry in-

self that you have built for your de-clining years a fund which shall take cars of your pressing needs. You are in-limitely better off than those who, having their capital invested in their business, are subject to vicissitudes of the times, for many good and industrious men who once stood foremost in the ranks of com-merce have seen their accumulations swept away and their last days spent in poverty. This is not-an exaggergated

our duty well, and be a loyal supporter of this association. We are only in our infancy, yet we have already relieved some who have since "crossed the river of life," and we are now taking care of four of your comrades.

Funds Grown Nicely.

Our funds have grown nicely, and with your active co-operation we expect to augment them year by year. One of the most gratifying evidences of the good will of your fellow citizens was shown in the hearty support of the barbecue given by the association during this summer, which added the neat sum of \$650 to our treasury. It is not only the financial success that we appreciate; yeu "touched elbows" with the taxpayers of the city, who, by their presence, encouraged you to feel that they are in accord with you in this noble work. Our thanks are especially due to the Board of Police Commissioners, without whose kind ald we could not have succeeded. This annual gathering

John Williams Will Get Sixteen Months.

John Henry William's oscape a few nights ago, when he beat another negro, drew a revolver on Magistrate James T. Lewis, concealed the weapon upon his person and later threatened Officer Crowder, will result in his remaining in the Henrico county jail for sixteen months, or thereabouts, unless sign in fines is paid, and some kind friend volunteers to put up 120 security for his good bohaviour for twelve months.

The negro was given a hearing before 'Squiro Angle at the Courthouse, yesterday morning, and he was handed a good package in each charge against him For assaulting the negro, John Henry Williams was assessed 32; for result 'Squiro Lewis and threatening to zhoot the magistrate, he was taxed 310, and requested to furnish security in the sum of 320 for his good behaviour for twelve months, and for carrying concealed weapons, he was fined 3190. On each charge the costs were attached, and the sum aggregates about fifty dollars.

# Have Nothing to Offer in Expla-

Have Nothing to Offer in Explanation of Poisoning Case.

Notwithstanding the fact that there has been no developments within the past few days in the Perkins' poisoning mystey, the public has not lost interest in the case, and questions are as pertinent naw as they were the day after it became known that two small children had been criminally poisoned with phosphorus. But around the case there is a halo of mystery apparently unfathomable to the detectives.

The situation on Navy Hill is practically unchanged. Mrs. Perkins continues her accusations and Mrs. McDowell, the neighbor, whose name was conspicuously mentioned in connectio with the polsoning of the children, maintains her innocence.

The detectives have narrowed the circle.

The meetings of your Board of Directors have been well attended, and each member tries carnestly to ald the association by his advice and counsel.

We'have added during the year seventeen life members and thry-five contributing members. This is gratifying, but I would carnestly urge each and every one of you to work for the increase of our citizen membership.

Our faithful and efficient treasurer will present his report, which will give you full information as to our financial condition.

My thanks are due to your officers and to your Board of Directors for their uniform courtesy and roady assistance. In conclusion I can but refterate my appeal for your steadfast support of the association. Remember that when you help us you are helping yourself.
